Smart Wi-Fi Outdoor Plug

TP25

 Extend Your Smart Home Outdoors

IP65 Weatherproof | Voice Control^A | Schedule & Timer

// Highlights

Matter-Compatible

With Matter support, using one app to control all smart devices is no longer a fantasy. Integrate TP25 into your preferred ecosystems to work seamlessly with other certified products and create a unified smart home.

Extend Your Smart Home to the Outdoors

Featuring an IP65-rated enclosure and long-range Wi-Fi coverage, the Tapo Smart Wi-Fi Outdoor Plug safely works in the garden, patio, or backyard to power fountains, landscape lighting, and more. Make your time spent outdoors easier and smarter.

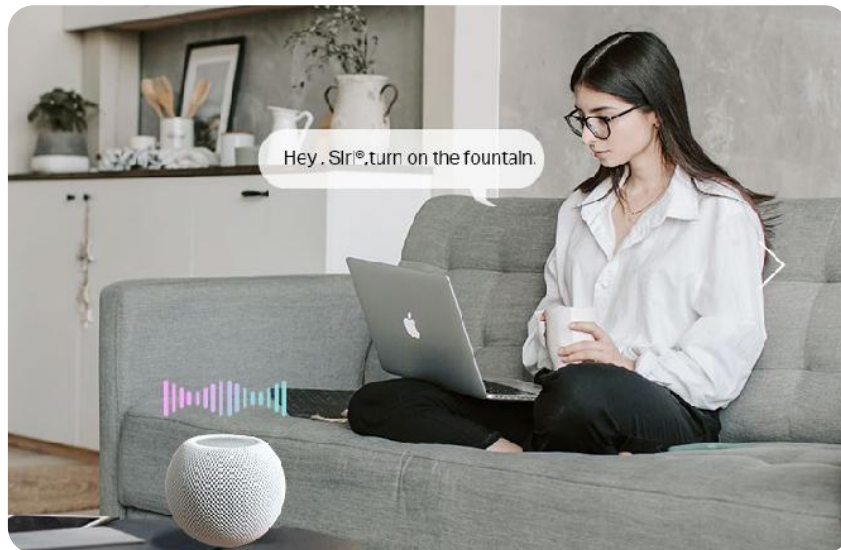

^ For the best result of waterproofing and protection, please keep the plug face down and at least 12 inches (1ft) from the ground. Keep the plug covered with the weatherproof cover when not in use.

// Highlights

Free Up Your Hands with Voice Control

Control devices using simple voice commands with Alexa, Siri®, or Google Assistant.

Set Schedules and Timers

Individually schedule each device connected to the plug to automatically switch on or off when you're home or away. Or automatically turns off devices after they are left on for a set time.

// Features

- **Individual Outlet Control**

Two outlets in one. Control two outdoor devices individually or grouped together.

- **Dual Antennas**

With dual antennas for long range Wi-Fi, the Smart Outdoor Plug has a reach of up to 300ft in open areas.

- **Remote Control**

Instantly turn connected devices on/off wherever you are through the Tapo app.

- **Safety Design**

Tested for safety with ETL Certified. PC flame-retardant* materials help minimize burning hazards.

- **IP65 Weatherproof[^]**

The outdoor smart plug meets the IP65 rating against dust and splashing water from any direction. With outdoor temperature resistance of -4~122°F (-20~50°C), it withstands rain, snow, dust, and other harsh water.

[^]When not in use, the sockets should remain capped with the included weather-resistant cover.

// Specifications

General

- Button: Power Button
