

DUMBBELLS

ACCESSORIES

Precision machined handles and high-grade steel heads, protected by the industry's best materials for nearly indestructible performance.

Featured:
45 LB 12-SIDED URETHANE DUMBBELL

Hammer Strength premium urethane dumbbells are made in the US and offer superior durability with an injection-molded exterior and high-grade steel.

Bright, visible weight numbers make these dumbbells easy to identify.

A specifically formulated rubber blend is overmolded and bonded to this dumbbell core to provide an unmatched level of quality at an economical price.
