

OMADA CENTER

MADE IN
FRANCE

Product sheet

Omada Center is the centre speaker in the line. During its development, the complementary nature of its timbre with other Omada loudspeakers is a particularly stand-out feature. It perfectly complements a multi-channel system, lending it coherence in design and sound, as well as faithful reproduction during Home Cinema listening sessions. The tilted base supplied with the loudspeaker enhances the soundstage and allows to enjoy a unique Cinema experience at home.
