

CSS-LATP LAT PULLDOWN

Add variety to your workout and reach your fitness goals with the Spirit Fitness CSS-LATP Lat Pulldown. Adjustable chain-links allow you to position the bar height as needed. The adjustable thigh pads ensure your lower body stays secure even during heavy weight pulls. Plus, all pads use high density foam with premium upholstery and high quality stitching, making them not only comfortable, but durable and easy to clean.

The integrated rep counter keeps you informed and motivated. Plus, storage hooks keep the bar stored and out of the way when not in use. The heavy-gauge steel frame with commercial-grade components are built to last and deliver the results you want.

CSS-LATP LAT PULLDOWN

- Traditional Lat Pulldown with adjustable chain-links for positioning of bar height
- Storage hooks for bar when not in use
- Adjustable thigh pads secure lower body for heavy weight pulls
- Integrated rep counter and built-in storage on top cap
