

# RBMU36LX

|                 |               |
|-----------------|---------------|
| Product family  | Refrigerator  |
| Installation    | Built-in      |
| Category        | Bottom mount  |
| Built-in niche  | >200          |
| No-frost system | Total         |
| Cooling type    | No-frost      |
| Defrost         | Automatic     |
| Hinge           | Door-to-door  |
| Hinge position  | Left          |
| EAN code        | 8017709343477 |

## Aesthetic

| Number of adjustable door shelves | 3 | Adjustable door bins with wire support | Yes |
|-----------------------------------|---|----------------------------------------|-----|

## Other Refrigerator features

|           |     |
|-----------|-----|
| MultiFlow | Yes |
|-----------|-----|

## Freezer features

|                   |   |
|-------------------|---|
| Number of drawers | 1 |
|-------------------|---|

## Other Freezer features

|           |           |                |     |
|-----------|-----------|----------------|-----|
| Ice maker | Automatic | Ice-tray shelf | Yes |
|-----------|-----------|----------------|-----|

## Other technical features

|                          |                                                                       |
|--------------------------|-----------------------------------------------------------------------|
| Display functions        | Holiday, Fast-cooling, ECO, Temperature alarm, Showroom mode, Sabbath |
| MultiZone                | Yes                                                                   |
| Water network connection | Yes                                                                   |
| Power-on light           | Yes                                                                   |
| Temperature alarm        | Yes                                                                   |
| Door open alarm          | Yes                                                                   |
| Temperature setting type | Electronic                                                            |
| No. of compressors       | 2                                                                     |
| Refrigerant gas type     | R600a                                                                 |
| Compressor type          | Inverter                                                              |
| Refrigerant quantity     | 3.8 oz                                                                |
| Foam agent               | HFO                                                                   |

## Performance / Energy Label

|                           |               |                          |               |
|---------------------------|---------------|--------------------------|---------------|
| Annual energy consumption | 580 kWh/year  | Refrigerator compartment | 15.01 cu. ft. |
| Total volume              | 15.01 cu. ft. | Total volume             | 20.52 cu. ft. |
| Freezer volume            | 4.63 cu. ft.  |                          |               |

## Electrical Connection

|                |       |                   |                |
|----------------|-------|-------------------|----------------|
| Current        | 3.5 A | Power cord length | 78 3/4 "       |
| Voltage (V)    | 115 V | Plug              | (B) NEMA 5-15P |
| Frequency (Hz) | 60 Hz |                   |                |

## Logistic Information

|                      |           |                                 |            |
|----------------------|-----------|---------------------------------|------------|
| Width                | 35 7/8 "  | Built-in niche height           | 84 "       |
| Built-in niche width | 36 "      | Width with doors open at 90°    | 41 1/4 "   |
| Depth without handle | 24 7/16 " | Product depth (handle included) | 28 15/16 " |
| Built-in niche depth | 25 "      | Depth with door open at 90°     | 58 9/16 "  |
| Height               | 83 7/16 " |                                 |            |

|                                                                                  |                                                                                                                                                                                                                                         |                                                                                   |                                                                                                                                            |
|----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
|  | The automatic defrost system works by automatically defrosting at regular intervals eliminating the need to defrost altogether.                                                                                                         |  | Economical mode: Analyzes fridge functioning during the activation and optimizes the operating cycle in order to reduce power consumption. |
|  | Power saving mode: The power saving mode allows you to disable the refrigerator and keep the freezer working.                                                                                                                           |  | LED interior lighting: is a more energy efficient and long lasting way of illuminating the interior of the appliance.                      |
|  | Inverter technology: The evolution of Smeg's driers towards more intelligent and environmentally sustainable models has led to the choice of using Inverter technology with heat pumps, which reduces significantly energy consumption. |  | Air plus: keeps food fresher for longer.                                                                                                   |
|  | Sabbath: This function allows you to cook food during the Sabbath, the Holiday of rest in the Jewish religion, respecting the precepts.                                                                                                 |                                                                                   |                                                                                                                                            |
