

Brother One-Year Limited Warranty (USA Only)

Who is covered:

- This Limited Warranty is only provided to the Original Purchaser who purchased the Machine and accompanying Supply and Accessories (collectively, the "Product") directly from Brother or an authorized Brother reseller in the United States.
- If you purchased the Product from someone other than an authorized Brother reseller in the United States or the Product was used before your purchase, including but not limited to a non-Brother refurbished Product, you are not the Original Purchaser and the Product is not covered by this Limited Warranty. This includes, but is not limited to, purchases via online marketplaces, such as eBay, Amazon Marketplace, Facebook Marketplace, Walmart Marketplace, etc., from a reseller who is not authorized by Brother.

What is covered:

This Product includes a Machine, and any Supplies and Accessories that may be included in box with the Machine purchase. For detailed information regarding these items, see the User's Guides at support.brother.com/manuals.

Except as otherwise provided herein, Brother warrants that the Machine and the accompanying Supply and Accessory Items will be free from defects in materials and workmanship, when used under normal conditions.

This warranty applies only to new or Brother factory refurbished Products purchased directly from Brother or an authorized Brother reseller and used in the United States.

For Products purchased in, but used outside the United States, this warranty covers only warranty service within the United States and does not include shipping outside the United States.

What is the Warranty Period:

Machines: One year from the original date the Product was delivered to the Original Purchaser.

Included Accessory Items: One year from the original date the Product was delivered to the Original Purchaser.

Accompanying Supply Items: 90 days from the original date of delivery or the rated life of the supply, whichever comes first.

What is NOT covered:

This warranty does not cover:

- Physical damage to this Product.
 - Damage caused by improper installation, improper or abnormal use, misuse, neglect or accident (including but not limited to transporting this Product without the proper preparation and/or packaging).
 - Damage caused by another device or software used with this Product (including but not limited to damage resulting from use of non-Brother brand parts, supply and accessory items).
 - Damage caused by alterations to the Product by anyone other than Brother, a Brother Authorized Service Center, or another person authorized by Brother.
- Supply and Accessory Items that have expired in accordance with a rated life or Best By date.
- Normal Periodic Maintenance Items beyond their rated life. For detailed machine information, see the User's Guides at support.brother.com/manuals.
- Problems arising from anything other than defects in materials or workmanship.
- Counterfeit products, non-Brother refurbished products, or products for which you are not the Original Purchaser.

This Limited Warranty may be VOIDED if this Product has been altered or modified in any way, including but not limited to defects or damages caused by attempted warranty repair without authorization from Brother and/or alteration/removal of the serial number or rating plate. Unless the following actions cause defects or damages to your Product, servicing your Product yourself, taking your Product to be serviced by a third party not affiliated with Brother, or using third-party parts for repairs alone, will not void this Limited Warranty.

What Brother will do:

If the problem reported concerning your Machine and/or accompanying Supply and Accessory Items is covered by this warranty, Brother or its Authorized Service Center will repair or replace the Machine and/or accompanying Supply and Accessory Items at no charge to you for parts or labor.

The decision as to whether to repair or replace the Machine and/or accompanying Supply and Accessory Items is made by Brother in its sole discretion.

Brother reserves the right to supply a refurbished or remanufactured replacement Machine and/or accompanying Supply and Accessory Items and/or use refurbished parts, provided such replacement products conform to the manufacturer's specifications for new product/parts. The repaired or replacement Machine and/or accompanying Supply and Accessory Items will be sent to you freight prepaid or made available for you to pick up at a Brother Authorized Service Center, if there is one located near you.

If the Machine and/or accompanying Supply and Accessory Items are not covered by this warranty, you may be charged for shipping the Machine and/or accompanying Supply and Accessory Items back to you and charged for any service and/or replacement parts/products at Brother's then current published rates.

The foregoing are your sole and exclusive remedies under this warranty.

It replaces all other agreements and understandings that you may have with Brother or its representatives regarding any warranty for the Product.

This warranty gives you certain rights and you may also have other rights that may vary from state to state.
