## LF29S9730 & LF29S9775

29 cu. ft. Smart Standard-Depth MAX™ 4-Door French Door Refrigerators with Mini Craft Ice™ and Full-Convert Drawer™

### Mini Craft Ice™

#### MINI CRAFT ICE™ TO MAX OUT YOUR CHILL

- Our newest ice innovation, developed to deliver more of your favorite round ice—only smaller—right through the dispenser on the door
- Smaller size is perfect for chilling all kinds of beverages and even works great in tumblers for chilled drinks on the go
- Adds a splash of fun and sophistication that will dazzle your guests—it's Mini Craft Ice™ that makes a mighty big impression

### LED Back Wall Lighting

#### BRIGHTEN YOUR FRIDGE WITH LED BACK WALL LIGHTING

- LED lighting brightens the back wall of your refrigerator, making it easy to find exactly what you're looking for—leftovers won't linger in the dark
- You can adjust the brightness of the LED back wall by using the LG ThinQ® app
- Enjoy the premium look every time you open the door

### Mirror InstaView® Design + MyColor™ (Available Only on LF29S9775)

#### MAKE A DESIGN STATEMENT WITH COLOR

- With just two quick knocks on the sleek Mirror InstaView® glass panel, you can illuminate the contents within and see inside your refrigerator—without ever opening the door
- MAX out your style by changing the InstaView® window's interior LED lighting to match your kitchen and mood—choose from 5 vibrant colors through the LG ThinQ® app\*

\* Five colors available by default. The color and brightness of the MyColor™ LED light may vary based on the environment where the refrigerator is installed. Leaving the MyColor™ light on for prolonged periods may reduce the lifetime of the LED light. Please consult owner's manual for scheduling operation and maximum number of hours.
