## NOTES

- Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Divided back cushion has a refined look and cradles your neck and back
- A power control independently adjusts the headrest, recline, and lumbar for a personalized sit
- A home button on the power control returns the headrest, footrest and lumbar to their original positions with one touch
- USB-A charging ports are built into power control for convenient charging and have zero draw technology to prevent the battery from draining when they're not in use
- The straight console includes two cupholders that pop out and a storage compartment for keeping belongings organized and tucked away
- Zero Gravity recline puts you in the ideal position that reduces pressure and gives you a feeling of weightlessness
