## NOTES

- Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Contoured seat with waterfall chaise reduces pressure on your legs and lower back
- Power headrest supports the head and neck, allowing you to read or watch TV while reclined
- Power control independently adjusts the headrest, recline and lumbar for a personalized sit
- Home button returns the headrest, footrest and lumbar to their original positions with one touch
- The center console features two cup holders and space to house remotes, magazines and other items
- Zero Gravity recline technology reduces the forces of gravity to provide comfort and well-being

## NOTES

- Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Eye-catching cross-stitching detail on the arms and back cushion
- High-density, contoured foam seats with waterfall chaises provide cradled comfort
- Customize your comfort with a power control that independently adjusts the recline, headrest, and lumbar support
- Zero Gravity recline puts you in the ideal position that reduces pressure and gives you a feeling of weightlessness
- Upholstered in a high-quality, durable top-grain leather
- The console component includes two cupholders, a wireless phone charging pad and a storage compartment that contains USB-A and USB-C ports (-72)
- The power control includes a USB-A and USB-C charging ports for convenient charging
- Removable backs for easy moving throughout the home
