

# WM3420 & WM3470

4.5 and 5.0 cu. ft. Front Load Washers with 6Motion™ and ColdWash™ Technology

## Loads of savings—large capacity saves time and energy without compromising cleaning performance

Our 6Motion™ technology uses up to 6 different wash motions to provide a smart cleaning experience that's gentle on clothes and maximizes washing performance. The 4.5 or 5.0 cu. ft. capacity means you have even more room to do laundry in fewer loads. And ColdWash™ technology uses cold water and enhanced washing motions to penetrate deep into fabrics, giving you cold water savings with warm water performance.

6Motion™ Technology  
GET A CUSTOM CLEAN

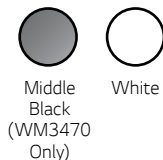

Mega & Ultra Large Capacity  
GO BIG TO SAVE TIME  
AND GET MORE DONE

ColdWash™ Option  
CLEANS LIKE WARM,  
SAVES LIKE COLD

Available in:

WM3420 includes built-in intelligence that takes the guesswork out of laundry and LG ThinQ® smart technology that keeps you connected

6Motion™ Technology

GET A CUSTOM CLEAN

- Based on the cycle you select, LG 6Motion™ technology uses up to 6 different wash motions, each designed to get clothes cleaner and help them last longer
- Options range from a scrubbing PowerMotion that helps to dissolve stains to the gentle Swinging motion that's ideal for delicates

Mega & Ultra Large Capacity

GO BIG TO SAVE TIME AND GET MORE DONE

- Say never again to never-ending piles of laundry—these mega and ultra large capacity washers fit more clothes in every load and help you power through laundry day in less time
- With up to 5.0 cu. ft.\* capacity, you can fit a king-size comforter and more in a single load, for big time savings every week

\* WM3470 is 5.0 cu. ft., WM3420 is 4.5 cu. ft.

ColdWash™ Option

CLEANS LIKE WARM, SAVES LIKE COLD

- Saving energy doesn't have to mean compromising on cleaning with the ColdWash™ option
- Powered by the LG Direct Drive Motor and 6Motion™ technology, it's ideal for cleaning all types of clothes—even those you normally wash in warm water
- Can be used with almost any wash cycle and virtually all fabric types

# Additional Features

Direct Drive Motor

## COUNT ON QUIET, EFFICIENT PERFORMANCE

- Backed by a 10-year limited warranty, the LG Direct Drive Motor delivers peace of mind with every load
- Fewer moving parts means less noise and vibration, greater stability and durable performance you can depend on for years to come

ENERGY STAR® Certified

## SAVE WATER, SAVE ENERGY, SAVE MONEY

- High efficiency washers use far less water and energy than a conventional washer for savings that add up with each load
- Get additional savings with load-sensing technology that adjusts water levels and wash times or by adding the ColdWash™ option to almost any cycle

LG SideKick® Compatible\*

## WASH TWO LOADS AT THE SAME TIME

- Add the one-of-a-kind LG SideKick® pedestal washer and wash small loads that just can't wait in the compact washer below while you do a big load up top
- Warm and cold settings and 6 cycles let you care for all types of items, from delicates and hand washables to workout wear and baby clothes
- Elevates your washer for easier loading and unloading

\* LG SideKick® sold separately. Available for white finish only.

Closet Depth\*\*

## FLEXIBILITY TO FIT ALMOST ANY SPACE

- These washers are worth showing off, but when space dictates otherwise it's good to know they will easily fit in a closet with plenty of room to close the closet door
- Install the pair side-by-side, or get a stacking kit and install the dryer over the washer to save even more space

\*\* Closet depth is under 33.5" or 33 1/2" depth.

NeveRust® Stainless Steel Tub

## SMOOTH SURFACE HELPS PREVENT SNAGS

- Unlike tubs made from porcelain or plastic, the full stainless steel tub avoids the chips and nicks that can snag fabrics and ruin clothing
- Durable surface actually gets smoother over time and keeps your washer looking like new, even after years of use
