WARRANTY: [CLICK HERE](#)

<sup>1</sup>4K 144Hz is only available with PC-connected games that support such specifications (PC graphic card required). Performance may vary.

<sup>2</sup>As compared to 2026 Crystal UHD.

<sup>3</sup>High-speed internet connection, compatible gaming service subscription, and compatible controller required.

<sup>4</sup>Samsung Account required for network-based smart services, including streaming apps and other smart features. Computer, mobile or other device may be necessary to create/log in to Samsung Account (free to download and create). Without Account log in, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available. Channels may vary by location and are subject to change. UI is subject to change without prior notice.

<sup>5</sup>Utilizes AI-based formulas.

<sup>6</sup>Utilizes AI-Based formulas to upscale to 4K resolution. Resulting picture may vary based on source content.

<sup>7</sup>Supreme Mini LED Dimming is Software-based (not full-array hardware-based) technology.

<sup>8</sup>Q-Symphony requires a compatible 2020-2026 Samsung TV. Please refer to [samsung.com](https://samsung.com) for more information.

<sup>9</sup>HDMI-CEC (Consumer Electronics Control) facilitates convenient control functions with compatible devices.

<sup>10</sup>Samsung Vision AI features vary by model, see individual model for more info.

<sup>11</sup>AI inputs and queries may be recorded and shared with 3rd party providers. Requires Samsung account and consent to Viewing Information Service; must be 18 years or older. Accuracy not guaranteed. Check results. Utilizes AI-Based formulas.

<sup>12</sup>AI Soccer Mode must be turned on in settings. Utilizes AI-based formulas.

<sup>13</sup>Feature availability varies by input source/app. Utilizes AI-based formulas; results vary. Samsung account and Internet access required.

<sup>14</sup>Fees apply to subscription service.

<sup>15</sup>Samsung Account required for network-based smart services, including streaming apps and other smart features. Separate [connected] computer, mobile or other device may be necessary to create/log into Samsung Account (free to download and create). Without Account login, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available.

<sup>16</sup>SmartThings require compatible devices only. SmartThings app download may be required.

<sup>17</sup>Subscriptions may be required for some services. Smart Trainer support devices may vary by country.

<sup>18</sup>Requires SmartThings app to be installed on the mobile device and connected via the same Wi-Fi network as the TV set. Mobile mic is compatible only with Galaxy S23 or later models and iPhone 15 & above. You must download the Karaoke app from Tizen to use the Karaoke function. An additional paid subscription is required for this service after 6 months of free use. (Users can access 5 songs per day for free without a subscription.)

<sup>19</sup>High speed internet connection, additional gaming service subscriptions and compatible controller required.

<sup>20</sup>Super Ultrawide Game View is supported for PC games only. This is feature is only available for ultra wide supported games. Some game titles may not support this function or may be limited to use this feature. Screen resolution change from external device may be required.

<sup>21</sup>Feature available on select 2026 85" and larger models. See specific model product pages for information.

<sup>22</sup>DLG 240Hz will reduce image resolution. Only available with PC connected games that support such specifications (PC graphics card required). Visual quality and results vary by title and system configuration.
