

ABT EXPANDS FURNITURE AND MATTRESS SHOWROOM BY 30,000 SQUARE FEET

GLENVIEW, IL — March 2026 — [Abt](#), one of the nation's largest single-store retailers and a trusted name in appliances and electronics, has added 30,000 square feet to its furniture and mattress showroom. The bigger showroom introduces more products, more brands and an elevated in-store experience designed to inspire today's shoppers.

Created as a modern, lifestyle-driven environment, the expanded showroom emphasizes comfort, interactivity and visual storytelling. Customers can explore fully merchandised room settings that bring living rooms, dining rooms, bedrooms, and outdoor areas to life, helping shoppers envision how pieces will work together in their own homes.

The newly expanded showroom features:

- A broader selection of premium brands, including Bernhardt, HF Custom, Stressless, American Leather and more
- Long-standing premium partners like Flexsteel, Palliser and Hooker Furniture now have dedicated, curated spaces thoughtfully designed to reflect each brand's distinctive aesthetic and craftsmanship
- A brand new Design Center provides a space for customers to meet one-on-one with furniture specialists and create fully customized pieces. From selecting fabrics and finishes to configuring layouts that fit their space, customers can design furniture tailored to their style and needs
- Expanded bedroom and mattress displays that allow customers to try products before they buy
- A significantly wider collection of accessories, home décor, lighting, rugs, and statement art. New additions from Leftbank Art, Arteriors, Four Hands, Howard Elliott, and Regina Andrew enhance the assortment, bringing layered texture, artistry, and distinctive design to every space
- Stylish room vignettes that help customers visualize complete home design solutions
- Expert in-store guidance from Abt's trained furniture specialists, and signature white-glove delivery service

"Abt has always believed that shopping for the home should be inspiring and enjoyable," said Jon Abt, President of Abt. "This completed expansion allows us to better serve our customers by giving them more space, more selection, and more opportunities to experience furniture and mattresses in a way that feels real and relevant to their lives."

The furniture showroom expansion reflects Abt's continued investment in their business and its long-standing commitment to delivering exceptional service, value and expertise across every product category it offers.

About Abt:

Abt Electronics was founded in 1936 when Jewel Abt loaned her husband, Dave, \$800 to open a small electronics store in Chicago's Logan Square neighborhood. Now celebrating 90 years, Abt is the largest independent, single-store retailer of electronics, appliances and furniture in the United States. The third-generation, family-run business is now led by Dave and Jewel's four grandsons—Mike, Ricky, Jon and Billy—who share the title of president. Abt is known for its award-winning customer service from its team of nearly 1,800 experts. Its Glenview, Illinois campus boasts a 123,000 square-foot showroom on 75 acres along with a state-of-the-art warehouse and recycling center, altogether totaling nearly one million square feet. At the center of the showroom is Abt's atrium, with in-store boutiques from brands like Apple and Tumi. Abt has been recognized as one of the Top Large Workplaces in Chicago for 16 consecutive years and reaches customers nationwide thanks to its thriving ecommerce website. The company is also a leader in sustainability, with its on-site recycling center, biodiesel trucks, rooftop solar panels, LED lighting and rainwater irrigation. Abt also offers complimentary fresh chocolate chip cookies for its customers during weekends. For more information, visit www.abt.com.
