

FOUR HANDS

# Wren Floor Lamp

Reactive White Glaze • 229282-002

\$1,069.74

## Overview

Paired with a slim, black-finished iron post, a tapered ceramic base is finished with a white reactive glaze, making each piece truly unique with subtle variations. An ivory linen shade keeps things looking light and airy. Slight variation is to be expected from piece to piece due to the handcrafted nature of ceramic.
