The all-new Galaxy Z Fold8 Galaxy AI ✨

Galaxy AI basic features provided by Samsung are free. Any Samsung enhanced AI features and all third-party AI features are subject to different terms and may be subject to fees.

Joy Unfolds

Created for your content

Any way you turn it, the new Galaxy Z Fold8 gives you a fuller content experience. Designed with your content in mind, this foldable is the perfect size to make your movies, books and more incredibly immersive.

The brightest display on a Galaxy phone

Our brightest smartphone display¹ provides you with a comfortable view, whether you're inside or outside. Watch movies, game and scroll with ease no matter where you are.

World's lightest fold

Galaxy Z Fold8 is the newest foldable shape engineered for content on the go. Unfolded, it fits your movies and books for an immersive experience. Folded, it delivers on comfortable texting and everyday use — all on the world's lightest fold.²

Untether your entertainment

The long-lasting battery of Galaxy Z Fold8 is built to power hours of entertainment. And when you do need to recharge, Super Fast Charging 2.0³ gets you back to what you love quickly. So sit back, relax and allow yourself to be fully immersed.
