Paint Disclaimer (If Applicable)

The natural beauty of solid wood has unique characteristics to each panel that are enhanced when wood stain is applied. Paint on these same units will be consistent in color but may present the wood characteristics differently. These small knots, joints, or end grain may be visible after painting and are not considered defects in material or workmanship.

We have made every effort to display product finishes and models on this website as accurately as possible. However, due to variations in monitor displays, we cannot guarantee that the finishes shown are 100% accurate, though they are representative.
