Strong Suction. Serious Mopping.

- **Hands-free cleaning:** Level-up your floor-cleaning with Roomba® Plus 405 Combo Robot + AutoWash™ Dock and its 70X more intense suction* and advanced spinning DualClean™ Mop Pads. Thanks to its high-powered dock, mop pads are washed, dried, and debris auto-emptied. Use Roomba® to effortlessly vacuum, mop or combo clean leaving your home at its best.
- **AutoWash™ Dock does it all:** AutoWash™ dock does more to maintain all-around freshness. Self-empties to capture up to 75 days of debris in a bag you simply toss away. Never drag dirt around the house - your robot periodically returns to the dock to rinse its mop pads during cleaning.
- **Vacuums. Mops. Never sleeps on the job:** When cleaning is finished, your mop pads are washed and dried, always ready to clean. The Self-Cleaning Cycle eliminates any build-up of debris in the dock with little effort.

Brilliant Cleaning. On Demand. Every Day.

- **Super-smart mapping and navigation:** With ClearView™ LiDAR quickly map your home and steers around obstacles for smart, fast, hands-free floor cleaning—room-to-room, wall-to-wall.
- **Leave the clean-up to Roomba® robots:** Ask your voice assistant* or just tap the Roomba® Home App to vacuum, mop, both, or vacuum first and mop second, day or night.
- **New Easy-to-use Roomba® Home app:** Designed for how you clean — simply tap to set a custom cleaning routine, get time estimates, check on the filter health, or get insight into which rooms need attention most.
- **Target Messes Where They Happen:** Send your robot directly to specific rooms or areas that need extra love with Clean Zones. Plus, you can set Keep Out Zones to avoid certain spaces.

*Works with Alexa, Siri, and Google Assistant-enabled devices

Blends in Beautifully.

- Inspired by modern design, both robot and dock blend beautifully into your home. One powerful robot is all you need for effortlessly fresh carpets and glistening floors.
