A luxurious centerpiece designed for both comfort and entertaining, the Cashiers Cocktail Ottoman brings warmth, versatility, and distinctive character to the living room. Its generous round silhouette encourages conversation and gathering, while the combination of rich leather, European Oak, and aged brass recalls the layered interiors of an elegant country residence. Aged brass knob hardware offers a refined finishing detail, while the open shelf below provides generous storage for books, throws, and decorative accents. Equally suited to relaxed evenings and lively gatherings, the Cashiers Cocktail Ottoman brings together sophisticated materials and purposeful design in one beautifully versatile piece. Its inviting leather top, rich wood character, and thoughtful storage make it a distinctive focal point for living spaces where elegance and everyday comfort come together naturally.
