SKSFD4826SP

48-inch Built-In French Door Refrigerator, Pre-Assembled, Professional Design

SKS

Pre-Assembled Professional Stainless Steel Panels, Handles & Frame Kit

Pre-Assembled, for a simplified and faster installation.

Signature Fit™ Proud or Flush Design

Versatile design allows for ¾" proud installation in existing 24" deep cabinets or true flush installation in 25" deep cabinetry. All drawers line up with standard countertop height a seamless look.

Dual Compressors & Dual Evaporators For Precise Preservation

Always keeps temperature fluctuation within +/-1° F to enhance food freshness for longer period of time*. Separated cooling from refrigerator and freezer keeps compartments at optimized humidity.

Convertible Fridge/Freezer Drawer

Innovative convertible fridge/freezer drawer offers five preset temperatures zones for precise food preservation: chilled wine, fridge deli, meats and seafood, cold drinks, or drop the temperature all the way down to make it a freezer when you need it.

Internal Water Dispenser & Dual Ice Maker With Craft Ice®

The internal water dispenser delivers cold, fresh, filtered water with a simple touch. Options for both the slow-melting, spherical Craft Ice and frustum ice elevate beverages of all kinds.

*Based on TÜV Rheinland test results using LG's internal testing method measuring the average peak to peak temperature fluctuation in the fresh food compartment at the factory temperature setting under no load condition. Applicable models only. The result may vary in actual usage.
