Pescara Undermount Sink - PTX110-17 | 122.0491.562

18-in. x 18-in. Undermount 18 Gauge Stainless Steel Single Bowl Kitchen Sink. Pescara sinks are equipped with a level of functionality and performance that maximizes usability for the home chef or kitchen connoisseur. Crafted from 18-gauge stainless steel with smooth corners, this sink is low maintenance and easier to clean. The integrated ledge system enhances your workspace by allowing you to work directly over the sink. The shelf grid raises to sit on the integrated ledge, creating a higher-level workspace to expand your prep, clean, and rinse area. The removable drain cover conceals the drain for a seamless bowl surface while providing a flat bottom that helps prevent glassware from tipping over. Made of 18 gauge T304 stainless steel, highly resilient to corrosion and stains, and extremely durable to handle the everyday tasks in the busiest of kitchens. The 20mm radius corners make it easy to clean every part of the sink.

Aspect
