Contemporary design, personalized comfort, and integrated technology come together in the Simone Zero Gravity Power Sofa. Its clean silhouette is defined by wide track arms with padded arm panels and a supportive bustle style back, creating a modern seating experience designed for everything from everyday relaxation to movie nights at home.Brown Semi Aniline Top Grain Leather brings warmth and natural character to the sofa while complementing its streamlined profile. The rich leather upholstery and tailored detailing give the substantial silhouette a polished appearance, balancing generous comfort with a clean contemporary point of view.Power zero gravity recline creates an elevated lounging position designed for balanced, supportive comfort, while adjustable power headrests allow additional head and neck support to be personalized as desired. Together, the power functions make it easy to transition from upright seating to a position suited for watching television, reading, or unwinding.Integrated Bluetooth speakers add entertainment directly to the seating experience, allowing music, podcasts, and other audio to be enjoyed from the comfort of the sofa. With its rich leather, advanced power functions, integrated audio, and supportive design, the Simone Zero Gravity Power Sofa transforms everyday seating into a personalized destination for relaxation and entertainment.
