LG SIGNATURE 9.0 cu. ft. Mega Capacity Smart Front Load Dryers with TurboSteam,® Built-In Intelligence and Hybrid or Touch LCD Controls

Mega Capacity

More, done beautifully.

- When you can fit more items in every load and create more free time in the process, that's beyond big—it's mega.
- One of LG's largest capacity dryers, this 9.0 cu. ft. dryer goes load-for-load with the matching mega capacity washer so you can run fewer loads to help save on utilities.

Modern Design & Sleek Controls

Elegantly simple and intuitive.

- An intuitive 7" LCD touchscreen or hybrid controls with dial and LCD panel simplify laundry and place total control at your fingertips.
- The elegant panel perfectly complements the modern, flat front design, luxe finishes and tinted tempered glass door.

Versatility

Refresh clothes with steam in between washes.

- Go ahead, wear it again—in just 11 minutes, TurboSteam® technology reduces wrinkles in up to 5 garments* when you don't have time to wash.
- SteamFresh® cycle helps reduce odors and refreshes children's toys, decorative pillows and more.

* Based on independent testing on the removal of wrinkles on 5 shirts (cotton/polyester blend) using TurboSteam® (August 2024).

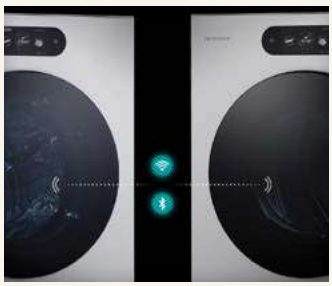

Additional Features

Built-In Intelligence

Takes out the guesswork.

- Built-in sensors use AI technology to detect fabric texture and load size, then automatically select the right drying motions, temperatures and more.
- AI Sensor Dry™ detects moisture levels and automatically adjusts drying time for loads of all sizes—helps prevent damp clothes and overdrying.
- With Smart Pairing, the washer can tell the dryer to select a compatible cycle*.

* Both washer and dryer need to be registered in LG ThinQ® app and connected to Wi-Fi to set up Smart Pairing feature.

LG ThinQ® Smart Features

LG ThinQ® helps make life happen.**

- Use the LG ThinQ® app to control your dryer remotely or use voice commands with Alexa and Google voice assistants.
- ThinQ UP™ enabled smart appliances may receive software updates for new, downloadable features and enhancements to be sent wirelessly to the appliance.
- ThinQ Care™ helps keep your appliance running smoothly by sending proactive usage, maintenance and diagnostic alerts to your smartphone.

** Available on select LG smart appliances. Features may vary by model.

FlowSense® Duct Clogging & Lint Filter Indicators

Keep your dryer clean, efficient and safe.

- FlowSense® duct clogging and lint filter indicators let you know when your ducts and filter need cleaning to avoid lint buildup.
- Improves the dryer's performance for greater efficiency and lower utility bills.
- Helps give you safer, worry-free operation with fewer service calls.

NeveRust® Stainless Steel Drum

Built to last.

- Just because you want your dryer to last for years doesn't mean you want it to look its age—the NeveRust® stainless steel drum is built to last.

Closet Depth + Installation Options

Flexibility to fit almost any space.

- This dryer is worth showing off, but when space dictates otherwise it's good to know it will easily fit in a closet with plenty of room to close the closet door.
- Add a 29" pedestal storage drawer to enjoy more comfortable loading and unloading† plus extra storage and a basket to keep it all organized.

† LG 29" pedestal storage drawer sold separately.
