G5 15” CLEAR ICE MAKERS

Precision-crafted clear ice is designed to enhance every drink, from refreshing sparkling waters to elevated cocktails. Engineered to remove impurities, each cube delivers exceptional clarity, slower melt, and a more refined drinking experience. The result is ice that not only looks beautiful, but preserves the integrity, flavor, and presentation of every beverage.

HANDLE KITS (SELECT ONE AT THE TIME OF PURCHASE)

MODELS	DESCRIPTION
1056826	Two Tone Handle Kit
1056822	Premium Knurled Handle Kit

Product Feature-Benefits

- Purposefully designed to align with the height of the G5 refrigeration line, ensuring a flush, seamless installation. The sleek cabinet profile and fully concealed, soft-closing hinges maintain a clean, uninterrupted aesthetic across the entire suite and surrounding cabinetry
- 24″ true depth ensures flush, built-in installation with surrounding cabinetry and equipment
- Choose between two handle kits at the time of order: Two-Tone or Premium Knurled
- Engineered with an improved, pre-installed drain pump for dependable performance and effortless installation
- Advanced optical ice level sensor provides real-time feedback for consistent ice production with minimal user adjustment
- Includes an upgraded installation kit with all necessary hoses and components for simplified setup
- Smart, integrated alerts and safeguards, including real-time system insights and a door alarm, help maintain consistent performance
- Produces up to 69lbs. of ice per 24-hours with storage capacity of 31lbs
- G5-inspired user interface provides simple, intuitive operation
- Integrated In-Line Water Filtration delivers cleaner, better-quality ice through convenient filtration built directly into the ice maker.
- ‘Standby Mode’ allows the unit to be powered down during extended periods of non-use
- Available from factory in left or right hinge for use in any space
- ADA Height Compliant models available
- Rated for both indoor and outdoor use
- Star-K Certified Sabbath mode
- Integrated internal lighting
