MODELS	DESCRIPTION
1056826	Two Tone Handle Kit
1056822	Premium Knurled Handle Kit

Product Features-Benefits

- Purposefully designed to align with the height of the G5 refrigeration line, ensuring a flush, seamless installation. The sleek cabinet profile and fully concealed, soft-closing hinges maintain a clean, uninterrupted aesthetic across the entire suite and surrounding cabinetry
- 24” true depth ensures flush, built-in installation with surrounding cabinetry and equipment
- Choose between two handle kits at the time of order: Two-Tone or Premium Knurled
- Engineered with an improved, pre-installed drain pump for dependable performance and effortless installation
- Advanced optical ice level sensor provides real-time feedback for consistent ice production with minimal user adjustment
- Includes an upgraded installation kit with all necessary hoses and components for simplified setup
- Smart, integrated alerts and safeguards, including real-time system insights and a door alarm, help maintain consistent performance
- Produces up to 95lbs. of ice per 24-hours with storage capacity of 25lbs
- G5-inspired user interface provides simple, intuitive operation
- Integrated In-Line Water Filtration delivers cleaner, better-quality ice through convenient filtration built directly into the ice maker.
- ‘Standby Mode’ allows the unit to be powered down during extended periods of non-use
- Available from factory in left or right hinge for use in any space
- ADA Height Compliant models available
- Rated for both indoor and outdoor use
- Star-K Certified Sabbath mode
- Integrated internal lighting
