

Uncompromising ultra-portable design

POWERFUL MOBILE PERFORMANCE

Experience the powerful performance of an Intel® Core™ 2 Duo P8600 processor (2.40GHz¹) with Intel Centrino® 2 technology and 4GB of system memory¹⁵.

The VAIO® Z notebook comes pre-installed with Genuine Microsoft® Windows Vista® Business 32-bit.

Uncompromising elegance weaved into a 3.42 lb⁷ (with standard battery) go-anywhere package.

Enjoy a 13.1" LED backlit widescreen display with XBRITE-DuraView™ LCD technology for a brighter, crisper, tougher display.

ENDLESS FEATURES

A hybrid graphics system lets you set graphics performance on the fly – no reboot necessary⁵.

An HDMI™ output¹⁷ delivers video and audio to external sources via a single cable so you can enjoy HD entertainment on your compatible big screen TV without a myriad of extra cables (HDMI™ cable required, sold separately).

G-Sensor™ Shock Protection technology makes your data even less vulnerable to loss or damage. When the built-in 3D acceleration sensor detects a risky movement, the HDD-head will lock up to secure its position and help protect the disc from scratching.

ENVIRONMENTALLY ENGINEERED FEATURES

By using a mercury-free backlit LED display, the VAIO® Z notebook keeps one less chemical out of both your home and the landfills.

Built tough for business, the VAIO® Z notebook offers the portability of a 3.42 lbs⁷ (with standard battery) form factor with the performance of a larger computer. Encased in durable carbon fiber and featuring scratch-resistant XBRITE-DuraView™ LCD technology, the Z notebook is designed to withstand the rigors of the road.
