

# 165 CVX

## Polyglass 2-way coaxial kit

- Butyl surround  
Resilient material, promoting long life

- Adjustable aluminum inverted dome tweeter  
Detailed and non directive

- Polyglass cone  
Neutral sound without coloration

- Aluminum protection cover  
protects the crossover from shocks

- 25mm (1") voice coil  
on Kapton® former  
High power handling

- DIN basket, 20% fiberglass filled ABS  
material  
Easy mounting, strong, rigid, non-  
magnetic and non-resonant chassis

- Innovative built-in 12dB/octave crossover
- Polypropylene capacitor for  
extremely natural sound
- Air core inductor with a low serial  
resistance

### Technical details :

165mm (6.5") woofer  
25mm (1") voice-coil  
85mm (3-1/3") magnet  
Adjustable aluminum inverted dome tweeter  
Integrated crossover (12dB/octave)  
Maximum power: 140W  
Nominal power: 70W  
Sensitivity (2.8V/1m): 93dB  
Frequency response : 60Hz – 20kHz  
Accessories: grilles included

### It makes the difference :

- Integrated audiophile 12dB/octave crossover
- Dynamic and neutral sound
- Adjustable height of the sound stage
- Extended bass frequency response
- Fast Installation
