

TiVo® PremiereXL

The One Box

TiVo Premiere XL is so much more than a DVR. It's a cable box, a movie box, a web box and a music box—all wrapped into one amazing, easy-to-use machine. And because it connects to the Internet, you're no longer confined to what's on TV. Now an entire universe of on-demand movies, TV shows, web videos and music is at your command, all in one place, all a few clicks away. Introducing the one box to finally tap the true potential of your television. TiVo Premiere XL.

Product Overview:

- Connects to your cable service and replaces your cable box
- Record your favorite shows and discover new ones with TiVo's new HD interface
- Smaller, more powerful, and more energy efficient than previous generations
- Record up to 150 hours of HD programming
- Access the world's largest selection of videos on demand including movies, TV shows, music videos, web videos and more
- THX® certified for exceptional sound and video quality
- Schedule recordings remotely and take them with you on your laptop or mobile device*
- Control live television with pause, rewind, slow-mo and instant replay
- Full HD support, including 1080p and 1080i HD formats
