

RICH CARAMEL BROWN FINISH WOOD A/V CABINET

*T*he transitional styling of this flared-front, rich caramel brown finish wood audio/video cabinet fits into any room décor. It can accommodate most flat panel TVs up to 52", plus at least 5 audio/video components with a speaker cloth covered shelf for a center channel speaker. Lower doors ship with removable bronze-tinted tempered safety glass and also include wood raised-panel door inserts to hide components. An integrated CMS® Cable Management System hides and routes wires and interconnect cables while internal air flow vents provide proper air circulation. An optional PP-59 Flat Panel TV Mounting System is also available for this model.
