

THE HUMAX DVD RECORDER WITH TIVO® SERVICE SO ADVANCED, IT'S EASY TO USE.

Discover the amazing evolution of the TiVo® service in HUMAX's DRT800 DVD Recorder. This full-feature, 3-in-1 product incorporates the easy-to-use TiVo service, giving you the power to control television and create DVDs. Go anywhere with your favorite shows on DVD or archive programs to free up valuable hard drive space. By using the same great TiVo service to burn DVDs, the process is straight-forward and uncomplicated. Discover the "Easy Digital" difference and feel the burn with the HUMAX DVD Recorder with TiVo service.

DRT800

DVD Recorder with TiVo® Service

SERIES 2™

KEY FEATURES

- **EASY-TO-USE**—TiVo service makes burning DVDs as easy as recording a program
- **ARCHIVE PREVIOUSLY RECORDED SHOWS AND MOVIES**—on DVDs and free up valuable hard drive space
- **TAKE YOUR SHOWS WITH YOU**—create DVDs that can be played back in most car, PC, or home theater DVD players
- **MULTIPLE PLAYBACK FORMAT COMPATIBLE**— including DVD Video, DVD-R/RW, CD-R/RW, A/V CD and your favorite media
- **RECORD**—up to 80 hours of television entertainment without the hassles of videotape
- **CONTROL LIVE TV**—pause, rewind, slo-motion, instant replay any channel, anytime
- **ELECTRONIC PROGRAM GUIDE (EPG)**—provides the TiVo Series2™ DVR with up to 14 days of program guide data
- **SEASON PASS™ RECORDINGS**—automatically record every episode of a favorite program all season long

- **WISHLIST™ SEARCHES**—find and record all programs that feature a favorite actor, director, team, or topic
- **TIVO SUGGESTIONS**—automatically records shows based on user's recording preferences
- **SMART RECORDING**—detects line-up changes, adjusts recording times automatically, and even skips reruns
- **TIVO ONLINE SCHEDULING**—schedule recordings online

HOME MEDIA FEATURES*:

- **DIGITAL MUSIC**—access and play your computer's MP3 files right on your TV screen
- **DIGITAL PHOTOS**—access and view your computer's digital photos right on your TV screen
- **MULTI-ROOM VIEWING**—access and view recorded programs on multiple TiVo DVRs

*Requires an existing home network and additional networking accessories

DRT800

SERIES 2™

DVD Recorder with TiVo® Service

Built for effortless operation, and incorporating the latest technology, the DRT800 employs TiVo® service for simple recording and burning. HUMAX, the creator of the “Easy Digital” revolution, has designed a DVD Recorder with TiVo service as three components in one: an 80-hour TiVo Series2™ DVR, an advanced DVD player, and an easy-to-use DVD Recorder. Users can search for their favorite shows and store them directly onto the hard drive—which means never having to struggle with videotape again. And when they’re ready to get mobile, or create an archive, they can burn DVDs with the same smart and easy-to-use TiVo service. The HUMAX DRT800—take the best of television with you—wherever you go.
