

RGA720PK – Hotpoint 20" Free-Standing Gas Range

Dimensions (in inches)

NOTE: Recommended gas hook-up locations behind range. Gas fittings and shut-off cock should NOT protrude more than 2" from the wall to allow the range to fit against the wall.

Installation Information (in inches)

Electrical Rating: 120V, 60Hz, 5A

Installation Information: Before installing, consult installation instructions packed with product for current dimensional data.

Note: LP conversion kit is required for this model.

All GE ranges are equipped with an Anti-Tip device. The installation of this device is an important, required step in the installation of the range.

RGA720PK – Hotpoint 20" Free-Standing Gas Range

Features and Benefits

- All Purpose Burners - Deliver a wide range of heat output ideal for most cooking requirements
