

17-inches of AWESOME

Now there's a notebook with the power to meet your every challenge—and unique styling that sets it apart from the rest. Crafted with premium materials and engineered with advanced technologies, the HP ENVY 17 fuses design with technology to deliver awesome performance without compromise.

Windows®. Life without Walls™.
HP recommends Windows 7.

Designed to perform. Engineered to amaze.

The generous design allows plenty of room for the performance-tuned features you desire. Keep your games, videos, and other applications moving at full speed with the latest Intel® processors combined with a superb graphics processor. Stream yourself in sharp detail with the built-in HP TrueVision HD Webcam⁽¹⁵⁾ that automatically adjusts for low-light indoor spaces, with a digital dual-array microphone for reduced noise interference.

- Get an incredibly immersive HD gaming experience and ultra-fast video transcoding with the power of desktop graphics 'supercomputing' in the ATI Mobility Radeon™ 5850 graphics and 1GB of dedicated ultra-high band GDDR5 memory.
- Work faster on multiple applications at the same time with the Intel® Core™ i5⁽³⁾ processor with 4-way Multi-Task Processing that allows each core to work on two tasks simultaneously. When your PC needs extra performance, the new Intel® Turbo Boost Technology^(3b) automatically speeds up your processor.
- The 17.3" diagonal High-Definition⁽⁸⁾ + HP BrightView Infinity LED display provides spacious full-screen views of HD content.
- Recharge your battery, whether your notebook is on or off, with an HP Notebook 120W SmartPower Adapter.
- Bluetooth technology helps you stay in touch when you're on the go.⁽¹⁰⁾
- Expand your entertainment with a Blu-ray^(16c) optical drive for stunning HD video and digital audio.⁽⁸⁾
- Back up your data with the 640GB (7200RPM) Hard Drive Dual HDD - 320GB + 320GB (SATA) with HP ProtectSmart Hard Drive Protection⁽⁷⁾
- Get up to 6 hours and 15 minutes of total battery life with the included 6-cell 62Whr and 9-cell 93 Whr batteries.⁽²⁸⁾

Art of state of the art.

On the outside, the laser-etched aluminum finish and streamlined design will turn heads. And on the inside, subtle touches make all the difference. The HP ENVY island-style backlit keyboard responds to your fingertips with individual reflexes. Action keys let you adjust sound, brightness, and other settings with a single touch. The generous-sized, multi-touch, gesture-enabled HP ClickPad helps you navigate quickly and intuitively. And integrated, native support for ATI Eyefinity multi-display technology expands your desktop horizons. Now you can connect up to three external displays to immerse yourself in games, optimize your creative productivity, or maximize your home theater viewing.

Hear all the music.

Experience the studio-quality music the artist intended you to with Beats™ Audio. HP audio engineers collaborated with Interscope records to deliver the best available audio experience through digital headphones or an external speaker system. HP ENVY's internal audio signal routing uses HP-patented signal integrity techniques to eliminate low-level noise typically experienced with PC audio. When combined with the Beats™ Studio Headphones by Dr. Dre, the listening experience is nothing short of amazing.

A better experience.

Additional refinements include a Windows® 7⁽¹⁾ experience that eliminates pop-ups due to trialware. Express your creativity with the included full-version Corel® photo- and video-editing software. Should you need help, a special support phone number is available to reach dedicated agents who can help you troubleshoot problems and provide next-day shipping if needed. From its distinctive packaging to all the finely crafted details, the HP ENVY 17 lives up to its name.

Relax with 24/7 Support.

While your PC is within the Limited Warranty, HP Care Pack Support gives you access to complimentary help whichever way you prefer.⁽³²⁾

- **From your desktop:** Click the HP Support Assistant icon for quick access to preinstalled content and diagnostic tools.
- **Through the Internet:** Visit our Consumer Support Forum, available 24/7 in English, French or Spanish at www.hp.com/support/consumer-forum. In the U.S., go to www.hp.com/go/notebookcare.
- **By telephone:** In the U.S., call HP at 1.800.HP.INVENT (1.800.474.6836).

To continue complimentary access to support, you can extend your Standard Warranty with an HP Care Pack service. Visit www.hp.com/go/totalcare for your choice of plans. Business Week ranked HP the number one technology company for customer service (April 2009).

If your PC is out-of-Warranty, you can visit the Consumer Support Forum (www.hp.com/support/consumer-forum) at no charge. You can also call 1.800.HP.INVENT (1.800.474.6836) within the U.S. (Support charges will apply.)

Each PC includes 60 days of live complimentary updates of Norton Internet Security 2010, HP Edition.^(19b) It guards your PC, your network, your online activities and your identity with innovative, intelligent detection technologies optimized to combat today's aggressive attacks.

ecoHIGHLIGHTS ENVY 17-1010NR

As a leader in environmental responsibility, HP is committed to reducing our impact on the earth. Renew, recycle, rethink with HP.

- Mercury-free LED display with arsenic-free display glass
- Delivered exclusively by SmartWay logistics partners
- Free recycling of your old computer hardware

VISIT WWW.HP.COM FOR MORE DETAILS!

⁽¹⁾ Microsoft® and Windows® are registered trademarks of Microsoft Corporation. This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See <http://www.microsoft.com/windows/windows-7/> for details.

^(2a) 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. See www.intel.com/info/em64t for more information. Dual Core is designed to improve performance of certain software products. Check with the software provider to determine suitability. Not all customers or software applications will necessarily benefit from use of this technology. ⁽³⁾ Intel's numbering is not a measurement of higher performance. ^(3b) Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information. ⁽⁴⁾ GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. ^(6a) Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided - Version 1.0 media ⁽⁷⁾ 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 20GB of system disk is reserved for system recovery software. ⁽⁸⁾ High-Definition content is required to view high-definition images. ⁽⁹⁾ Actual speeds may vary. ⁽¹⁰⁾ Bluetooth is a trademark owned by its Company under license. ^(10a) The specifications for the 802.11n WLAN are draft specifications and are not final. This may affect the ability of the PC to communicate with other 802.11n WLAN devices. ⁽¹²⁾ Weight will vary by configuration. ⁽¹³⁾ Internet access required and sold separately. ^(14a) As Blu-Ray is a new format containing new technologies, certain disc, digital connection, compatibility and/or performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. In order for some Blu-ray titles to play, they may require a DVI or HDMI digital connection and your display may require HDCP support. HD-DVD movies cannot be played on this Desktop PC. ^(17a) Digital Media Slot supports MS, MSP, MMC, SD, XD formats. To avoid damaging the card or computer do not insert any type of adapter, or mini format memory card, into the Digital Media Slot. Mini/Reduced flash memory cards require separately purchased adapter. ⁽¹⁹⁾ The Microsoft® Office 2007 Home & Student edition is a trial version; functionality is reduced after 60 days. The full version is sold separately. ^(19a) Internet access required. First 60 days included. Subscription required for live updates afterwards. ⁽²⁸⁾ Battery life will vary depending on the product configuration, product model, applications loaded on the product, power management setting of the product, and the product features used by the customer. As with all batteries, the maximum capacity of this battery will decrease with time and usage. ⁽³²⁾ Support options are subject to change. Actual product may vary from image shown on datasheet.
