

Shown with Wood Door Panels

## MAHOGANY FINISH WOOD AUDIO/VIDEO CABINET

*G*reat for small spaces, this Mahogany finish wood cabinet can display most televisions up to 32" (or 100 lbs). The open upper area is perfect for a cable box, DVR, Blu-ray Disc™ Player, or center channel speaker. Inside the cabinet is an adjustable shelf to accommodate up to 4 audio/video components. This model includes two pair of interchangeable door panels (tinted tempered safety glass or wood) to customize the look and functionality. An integrated CMS® Cable Management System hides and routes wires and interconnect cables while air flow vents provide convection cooling of your components.
