

TBT049US | Targus Spruce EcoSmart™ Topload

The Spruce EcoSmart Topload is designed to protect up to 15.6" widescreen laptops and is constructed of 100% recycled polyester material. The case also features PVC-free material, nickel-free hardware and recyclable plastic components to emit fewer toxins into the environment. To store your essentials, the topload features a key clip, business card holder and compartment for a cell phone or other accessories. To provide comfort while on the road, the adjustable/padded shoulder strap and durable carry handle make it easy to transport. The colorful green interior lightens the case, so items stored inside are more visible. Both sleek and sporty, the Spruce line offers a durable eco-friendly option with tasteful color accents.

Protection - Designed to protect up to 15.6" laptops
