- Large White Rimmed Door with Glass
- Stackable with Matching Dryer
- Optional Matching Drawer Pedestal

Inverter
Direct Drive

THE BLESSING OF SILENCE, NOW IN YOUR LAUNDRY ROOM

Take out the noise—and add style, performance, and reliability to your laundry. Thanks to its TrueBalance™ Anti-Vibration System, this washer balances uneven loads and reduces noise to a minimum so you can run it anytime, anywhere—even on the 2nd floor. Its unique 6Motion™ Technology customizes washing motions to ensure a perfect and gentle clean. And, our revolutionary Direct Drive Motor makes it so reliable, we back it up with a 10-year warranty. Are you ready for a long-term relationship?

You shouldn't know your washer is on from the next room. The LG TrueBalance™ anti-vibration system is designed to reduce washer noise and vibration for smooth, quiet performance in any room of the house – even on the 2nd floor.

Direct Drive Motor

When you buy a washer, you don't want to worry that it won't last. Because the Direct Drive Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.

Large Capacity

Towers of towels, piles of sweatshirts, and a mountain of jeans? Go for it. The large capacity (4.0 cu.ft.) tub lets you do more laundry in fewer loads. That's time saved and sore backs avoided.
