JENN-AIR® CABINET DEPTH FRENCH DOOR REFRIGERATORS WITH INTERNAL DISPENSER

KEY FEATURES

TriSensor™ electronic climate control features sensors in the fresh food and freezer compartments, and an external ambient room temperature sensor provides exceptional, consistent climate control.

Glide-out freezer drawer with SmoothClose™ drawer track system features two-tiered storage for easy access, organizing and viewing. Precision ball bearings provide effortless opening and closing – even when fully loaded.

Internal water dispenser provides fresh, cool water from the inside of the refrigerator, allowing the exterior to remain beautifully uninterrupted.
