Features and Benefits

Description: The IC42S2A1 articulating mount is part of the Installer's Choice Razor Series. This is an ideal solution for those looking for a combination of flexibility and stability for 26" to 42" flat-panel displays weighing up to 80 lbs. The mount's ultra-slim profile provides seamless, elegant security for your display, placing it just 1.5" from the wall when closed and extending up to 18.75" off the wall. Full-motion pan, swivel and extension capabilities make this one of the most versatile mounts available. The dual stud, single arm design makes installation fast and easy. The IC42S2A1 provides the optimal viewing experience from anywhere in a room, offering a full range of motion and allowing viewing adjustments from -2° thru 10° to ensure the best viewing angle.

Mounting Patterns (mm): 100 x 100, 100 x 200, 200 x 200, 300 x 300, 400 x 400
