

# Pavilion dv6-3232nr Entertainment Notebook PC

## Made for serious play.

Now there's a notebook PC made for the way you play. In fact, the HP Pavilion dv6 comes with software that lets you start playing right out of the box. With amazing graphics, audio, and video, plus a wide array of options, the HP Pavilion dv6 Entertainment series notebook delivers power and performance to match your fast-paced lifestyle.

## Windows®. Life without Walls™. HP recommends Windows 7.

### It's always showtime.

Exclusive HP MediaSmart software gives you instant access to the music and movies you love. Immerse yourself in videos, games and intensive graphics on the high-definition 15.6" diagonal HP BrightView LED display.<sup>(8)</sup> Look your best in any light with the HP TrueVision Webcam<sup>(15)</sup> and sound great with integrated dual-array digital microphones for improved noise reduction. With the large hard drive, you can store volumes of data, movies, and music.

- Intel® Core™ i3 processor<sup>(3)</sup> with 4-way Multi-Task Processing makes it faster to work on multiple applications at the same time by allowing each core of your processor to work on two tasks simultaneously.
- Intel® HD graphics are made for the way you play.<sup>(6)(8)</sup>
- Expand your entertainment with a Blu-ray<sup>(16c)</sup> optical drive for stunning HD video and digital audio.
- Sync and print wirelessly with Bluetooth®-enabled smart phones and printers up to 30 feet away.<sup>(10)</sup>
- Intel® Wi-Fi ready to wirelessly stream your photos, videos and other PC content to an HD TV.<sup>(36)</sup>
- Get up to 5 hours and 15 minutes of life with the 6-cell 55Whr Li-Ion battery.<sup>(28)</sup>

### Impressive inside and out.

The Pavilion dv6 notebook offers style with substance, featuring a sleek aluminum chassis etched with the stream design. The integrated fingerprint reader and HP SimplePass Identity Management software give you a quick, easy and secure way to access your favorite websites with a single swipe. Built for longevity with higher-quality components, the Pavilion dv6 also includes a comfortable, responsive island-style keyboard. An easy-to-use, oversized Clickpad supports multi-touch gestures to keep you operating at maximum efficiency.

### Do it all at the speed of life.

The latest mobile processors provide the performance you need. Longer battery life makes it last. With integrated WiFi<sup>(10b)</sup> and Bluetooth technology<sup>(10)</sup>, you'll never feel out of touch. To make the best use of your time, one-touch keys launch the applications and functions you use most. And if you hit any bumps along the way, HP ProtectSmart Hard Drive Protection can help save your valuable information.

### Digital entertainment that moves you.

With Dolby Advanced Audio and integrated Altec Lansing speakers, you can surround yourself in sound. When you're watching movies or enjoying tracks from your own collection and Rhapsody® within HP MediaSmart you'll hear the difference. You'll also see the difference with high-definition content from integrated partners such as Hulu™, Netflix® and Roxio CinemaNow™.<sup>(15)</sup>

### Enjoy PC content on your HD TV wirelessly

The dv6 features Intel® Wireless Display so you can sit back and experience your favorite videos, photos and music on your HD TV. Stop crowding around a laptop screen! Intel® Wi-Fi<sup>(36)</sup> lets you view content from your dv6's hard disk, your home network or anywhere a browser will take you on the biggest screen in your home. Connection is a snap: Simply connect a Netgear Push2TV Adapter to your TV's HDMI or composite A/V input, follow a few steps, then start sharing with a push of a button.

### Relax With 24/7 Support

Enjoy the lifetime use of HP Support Assistant to keep your PC up to date, troubleshoot problems, and get assistance when you need help. While your PC is within Warranty, HP Care Pack Support gives you access to complimentary help whichever way you prefer:<sup>(32)</sup>

- **From your desktop:** Click the HP Support Assistant icon for quick access to automated maintenance, preinstalled content, diagnostic tools, and multiple assistance options.
- **Through the Internet:** Visit our Consumer Support Forum, available 24/7 in English, French or Spanish at [www.hp.com/support/consumer-forum](http://www.hp.com/support/consumer-forum). In the US, go to [www.hp.com/go/notebookcare](http://www.hp.com/go/notebookcare).
- **By telephone:** In the U.S., call HP at 1.800.HP.INVENT (1.800.474.6836).

To continue complimentary access to support, you can extend your Standard Warranty with an HP Care Pack service. Visit [www.hp.com/go/totalcare](http://www.hp.com/go/totalcare) for your choice of plans. Business Week ranked HP the number one technology company for customer service (April 2009).

If your PC is out-of-warranty, you can use the self-help assistance options of HP Support Assistant to help you find an answer or solve your problem. One option is to visit the Consumer Support Forum ([www.hp.com/support/consumer.forum](http://www.hp.com/support/consumer.forum)) at no charge. You can also call 1.800.HP.INVENT (1.800.474.6836) within the U.S. (Support charges will apply.)

### ecoHIGHLIGHTS

Pavilion dv6-3232nr  
Entertainment Notebook PC

As a leader in environmental responsibility, HP is committed to reducing our impact on the earth. Renew, recycle, rethink with HP.

- ENERGY STAR® qualified and EPEAT® Silver registered<sup>(33)</sup>

## VISIT WWW.HP.COM FOR MORE DETAILS!

<sup>(1)</sup> Microsoft® and Windows® are registered trademarks of Microsoft Corporation. This system may require upgraded and/or separately purchased hardware and/or a DVD drive to install the Windows 7 software and take full advantage of Windows 7 functionality. See <http://www.microsoft.com/windows/windows-7/> for details.

<sup>(2a)</sup> 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. See [www.intel.com/info/em64t](http://www.intel.com/info/em64t) for more information. Dual Core is designed to improve performance of certain software products. Check with the software provider to determine suitability. Not all customers or software applications will necessarily benefit from use of this technology. <sup>(3)</sup> Intel's numbering is not a measurement of higher performance. <sup>(4)</sup> GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. <sup>(5)</sup> Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. <sup>(6a)</sup> Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 GB Double Sided - Version 1.0 media. <sup>(7)</sup> 1 GB = 1 billion bytes. Actual formatted capacity is less. Up to 20GB of system disk is reserved for system recovery software. <sup>(8)</sup> High-definition (HD) content required to view high definition images. <sup>(9)</sup> Actual speeds may vary. <sup>(10)</sup> Bluetooth is a trademark owned by its Company under license. <sup>(10a)</sup> Wireless access point and Internet service required and is not included. Availability of public wireless access points limited. <sup>(12)</sup> Weight will vary by configuration. <sup>(15)</sup> Internet access required and sold separately. <sup>(15a)</sup> This is a 30-day trial for 100GB of storage. After 30 days there is a fee associated with the service depending on storage needs or 2GB of storage for free. <sup>(15b)</sup> Internet connection is required, subscription is required for some content. <sup>(16a)</sup> As Blu-Ray is a new format containing new technologies, certain disc, digital connection, compatibility and/or performance issues may arise, and do not constitute defects in the product. Flawless playback on all systems is not guaranteed. In order for some Blu-ray titles to play, they may require a DVI or HDMI digital connection and your display may require HDCP support. HD-DVD movies cannot be played on this Notebook PC. <sup>(17a)</sup> Digital Meghtdia Slot supports MS, MSP, MMC, SD, XD formats. To avoid damaging the card or computer do not insert any type of adapter, or mini format memory card, into the Digital Media Slot. Mini/Reduced flash memory cards require separately purchased adapter. <sup>(19b)</sup> Internet access required. First 60 days included. Subscription required for live updates afterwards. <sup>(25)</sup> Games may be limited during trial period. Full version games may be purchased at any time. Internet access required and sold separately. <sup>(28)</sup> Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See MobileMark07 battery benchmark [www.bapco.com/products/mobilemark2007](http://www.bapco.com/products/mobilemark2007) <  
<http://www.bapco.com/products/mobilemark2007> for additional details. <sup>(32)</sup> Support options are subject to change. <sup>(34)</sup> Requires separate purchase of a Netgear Push2TV adapter and an HD TV with HDMI or composite A/V input. <sup>(38)</sup> Internet access required and not included. This PC includes a FREE 30 day subscription of Norton Online Backup. To activate, simply click on the Windows Start button and launch Norton Online Backup. Actual product may vary from image shown on datasheet.
