ON-WALL/OFF-WALL THEATER CENTER/FRONT/SURROUND

COMPACT ELECTROSTATIC CENTER CHANNEL

Matinee is a highly evolved expression of the same ideas and engineering that spawned the Stage and Motif speakers in a value laden package. A high-resolution Generation 2 MicroPerf electrostatic panel, neodymium tweeter, dual low-distortion composite woofers, and highly sophisticated Vojtko crossover deliver legendary MartinLogan performance from our most affordable and versatile compact electrostatic loudspeaker. Carefully hand-built using only the finest components, Matinee's crossover preserves even the most subtle sonic nuances while handling the full dynamics of any source.
