

DIRECTV® STANDARD RECEIVER D12

WE SET THE STANDARD IN CUTTING-EDGE RECEIVERS

The DIRECTV® Standard Receiver features advanced technology that is easy to understand and even easier to use. Its Advanced Program Guide® lets you view every channel in one simple guide. DIRECTV Active™ brings you personalized weather, horoscopes, lottery results and more at the click of a button. And when connected to a phone line, the Standard Receiver provides the ability to view and log Caller ID information.†

FEATURES

- 3.5-day Advanced Program Guide
- Interactive TV enabled*
- Search function to find programming
- Favorite channels list
- On-screen Caller ID†
- S-Video, Composite outputs
- Parental locks/controls
- Universal remote control

BENEFITS

- Search the channel guide for what to watch up to 3.5 days in advance.
- Search for your favorite shows by person, title, keyword or channel.
- Take advantage of DIRECTV interactive features like DIRECTV Active.*
- Schedule timer to automatically tune to a program.
- View and log Caller ID information provided by your local phone company.†
- Remote controls up to 4 components including your DIRECTV Receiver.

†To use this feature you must have your receiver directly plugged into a telephone outlet (not a wireless phone jack) and must subscribe to Caller ID or similar caller identification service from your phone company. *Some interactive services may require phone line connection and/or additional service fee. ©2010 DIRECTV, Inc.
