

Stainless

1175BEV

1000 SERIES

FEATURES

PERFORMANCE

- 5.5 cubic feet overall storage capacity allows for up to 16 (.75L) wine bottles, 48 – 12 oz beer bottles and 65 – 12 oz. cans
- Touch pad digital control
- Double-zone cooling system provides a stable and consistent environment for optimum beverage storage
- Temperature setting from 34 to 45° F
- Sabbath / Blackout mode turns off all lighting, controls display and automatically resets after 36 hours
- UL residential and commercial listings

INTERIOR / EXTERIOR

- Lighted black interior optimizes elegant display and easy viewing of contents and can be manually turned on for display of contents with door closed; automatically shuts off after four hours
- Two solid beech wood trimmed, 3/4 extension black powder coated wine racks
- Two 4mm tempered glass shelves with bullnose edge to maximize storage potential
- Standard commercial stainless steel handle is interchangeable with professional handle option
- Stainless steel model has stainless wrap with black caps on top and bottom to make this unit field reversible
- LowE coated, argon gas filled thermopane glass door provides protection from potentially harmful UV rays and added insulating energy efficiency
- Black vinyl clad textured cabinet is more resistant to scratching, peeling and flaking

INTEGRATION

- Solid beech wood trim on wine racks can be stained to match surrounding cabinetry
- Unit can be built-in or freestanding providing a custom aesthetic
- Allow a 2-1/2" clearance on hinged side for 90° door opening when installed adjacent to a wall
- Allow 1/4" width overall for proper installation (see backside for details)
- No additional clearance around sides, top or rear of unit is needed for ventilation
- Durable, factory installed level legs provide a more precise undercounter fit
- Do not obstruct front grille air flow

Double Zone System featured in 1175BEV.
