

Home Comfort

FAD251NTD

Dehumidifier

Signature Features

Effortless™ Clean Filter

Our anti-microbial filter cleans the air, removing harmful bacteria.

Effortless™ Humidity Control

Allows you to control the exact percentage of humidity in your room.

Energy and Cost Savings

The unit operates at a low temperature – using less energy and saving you money.

Improves Home Environment

Protects your home from mold and mildew caused by excess moisture – and helps eliminate bacteria in the air that can make breathing difficult.

Product Dimensions

Height	19-2/7"
Width	14"
Depth (with Front)	11"

More Easy-To-Use Features

Effortless™ Automatic Shut Off

Unit shuts off automatically when the water tank is almost full.

Smells Fresher

Washable filter keeps your air smelling fresh. Plus, the dehumidifier prevents odors that result from mold, mildew and bacteria.

Effortless™ Full Tank Alert System

Alerts you when your water tank nears capacity and it is time to empty the water bucket.

Effortless™ Continuous Pump Option

Continuously drains your dehumidifier – so you don't have to empty the water bucket.

Front Loading Bucket with Carrying Handle and Splash Guard

Water bucket is conveniently located in the front of the unit for easy access, while the carrying handle and splash guard make emptying your bucket hassle-free.

SpaceWise® Portable Design

Caster wheels and top and side handles make it easy to move your unit from room to room.
