

Reduce Moisture for a Healthier Home with a Whirlpool® Dehumidifier

Protect Your Property

Keep humidity lower to prevent moisture and rust from damaging your home and the items within.

Keep Your Home Fresh

Eliminate extra moisture to reduce the chance of mildew and its associated odors.

Provide Clean Air for Your Family

Removing excess moisture keeps humidity at optimal levels, reducing allergens by inhibiting the growth of mold and mildew.

Keep Your Home Healthy with Cleaner Air

from a Whirlpool® Air Purifier

Better Air Quality

Reduce the presence of dust, pet dander, smoke, fibers and pollens with AHAM Certified Clean Air Delivery Rates from 150 to 330.

True HEPA Filter

Captures 99.97% of particles as small as 0.3 microns from air passing through the filter. The charcoal pre-filter helps reduce odors to retain your home's fresh feeling.

Provide Cleaner Air for Your Family

Cleans your air up to 5 times per hour, reducing common allergens like dust, petdander, smoke, fibers and pollens.
