

# Product Information Sheet

**CORE**  
COLLECTION  
by omnimount

## Axis AT

The Core Collection is OmniMount's tried and true furniture collection made up of several different series of steel and glass A/V furniture. With clean lines, black glass and various high-gloss finishes, these pieces blend seamlessly into any environment. The Axis Series makes organizing your A/V equipment and displaying your TV simple and classy with multiple shelves for components, transparent glass to allow for remote control operation and many other features. The Axis AT is a sleek and stylish audio tower that provides ample storage room for A/V equipment and other components.

Black glass door allows for remote control operation while keeping your components hidden.

### BENEFITS

- Enclosed component storage with push-to-open glass door
- Provides 5 component spaces
- Black glass door allows for remote control operation while keeping components hidden
- Casters allow for smooth movement and easy accessibility
