Features and Benefits

Description: The IC60S2A2 articulating mount is part of the Installer's Choice Razor Series. This is an ideal solution for those looking for a combination of flexibility and stability for 40" to 65" flat-panel displays weighing up to 125 lbs. The mount's ultra-slim profile provides seamless, elegant security for your display, placing it just 1.5" from the wall when closed and extending up to 18.75" off the wall. Full-motion pan, swivel and extension capabilities make this one of the most versatile mounts available. The dual stud design makes installation fast and easy. The IC60S2A2 provides the optimal viewing experience from anywhere in a room, offering a full range of motion and allowing viewing adjustments from -2° thru 10° to ensure the best viewing angle.

Universal mount for most 100x100mm - 600x600mm mounting patterns.
