WOOD A/V CABINET IN EUROPEAN MAHOGANY FINISH

*F*ine crafted details set this cabinet apart from the rest. It features a rich European Mahogany finished wood with a hand inlaid two tone top, multi-level upper and lower molding, and raised panel doors concealing two convenient storage compartments. It can accommodate most Flat Panel TVs up to 55" or 125 lbs. and three or more audio/video components. An integrated CMS® Cable Management System hides and routes wires and interconnect cables while internal slots provide proper air circulation for convection cooling of your components. Assembles in minutes with absolutely no tools required.
