

**Tagline: Not Just Another Pretty Face.
Smart, Reliable & Efficient"**

25 Words Description: The X Series notebook offers an expressive combination of technology and style. It boasts battery savings feature ASUS Power4Gear and Palm-Proof technology that prevents accidental input.

50 Words Description: The X Series notebook offers an expressive combination of technology and style. It boasts battery savings feature ASUS Power4Gear and Palm-Proof technology that prevents accidental input. The highly durable premium aluminum textures retain their looks and quality even during extensive, prolonged use, allowing you to do more in complete confidence.

Key Selling Points:

- IF Award-winning Ergonomic Chiclet Keyboard has extra-wide dust-repellent keys stay comfortable even during extended typing sessions for improved productivity and interaction.
- IceCool Technology makes use of superior component engineering combined with aluminum surface keeps palm rest and typing surfaces cool.
- ASUS Power4Gear optimizes system performance for increased performance and longer mobility
- ASUS Palm-Proof Technology intelligently distinguishes between palm and finger contact to prevent inadvertent cursor movements during typing

Model Name	X53E-RS91		
UPC Code	886227046782	USB 2.0	2
Color	Black	USB 3.0	1
Operating System	Windows7 Home Premium (64bit)	VGA port	1
Display	15.6" HD (1366*768)	HDMI port	1
Processor (CPU)	Intel Pentium B960 (2.2GHz)	Display port	0
Chipset	Intel HM65	DVI port	0
Graphics (GPU)	Intel GMA HD	Fingerprint Reader	0
Video Memory	Shared	TPM	0
Memory	4GB DDR3	Unit Dimension (D*W*H)	15.12" x 10.12" x 1.4"
Memory Slot	2	Carton Dimension (D*M*H)	17.7" x 7.9" x 14.1"
Max Memory Supported	8GB	Net Weight (system)	5.72lbs with 6 Cell battery
Hard Drive	500GB 5400RPM	Gross Weight (with box)	10
Optical Drive	DL DVD±RW/CD-RW	Units per carton	1
Ethernet	On board 10/100/1000 Mbps Fast ethernet Controller	Energy Star	Y
RJ11(Modem)	0	EPEAT	Y
RJ45 LAN	1	Power Supply: AC-in	100~240V AC, 50/60Hz universal
WLAN	802.11BGN	Power Supply: DC-out	19V DC, 3.42A, 65W
Battery	6 Cell Battery	Card Reader	1 x 5 in 1 card reader : SD+MMC+MS+MS PRO SDHC(SD)
Keyboard	Chiclet	Express Card Slot	0
Speakers	Stereo	Smart Card Slot	0
Webcam	0.3M Pixel	IEEE 1394 / firewire	0
Bluetooth	N	eSATA port	0
Audio Jack-in (Microphone)	1	Docking connector	0
Audio Jack-out (Headset)	1	Kensington Lock	1
Warranty	1YR Global/1YR Accidental Damage/30-Day Zero Bright Dot/2-way FREE shipping/24-7 tech support
