

YourType Folio + Keyboard for The new iPad and iPad 2

This versatile and protective folio features a removable keyboard that lets you switch between work and play with ease—anywhere you use your new iPad.

Overview

Work, Play, Go

This versatile and protective folio features a removable keyboard that lets you switch between work and play with ease—anywhere you use your new iPad. The premium, stitched case is custom fit to your iPad with a smooth inner lining that's soft against your device. Lightweight and form-fitting, it slips easily into another bag without adding bulk.

Compatibility:

The new iPad
iPad 2
