

EXERCISE FREAK™

AH-W150BU

In-Ear Headphones

DENON®

Wireless Fitness Headphones.

Did you know that listening to music while working out can enhance your performance by at least 20%?¹ Denon has developed the ultimate, super-lightweight, sweat proof, wireless fitness headphones that perform the way you do. Featuring stereo Bluetooth® 3.0 wireless connectivity, an integrated amplifier professionally tuned to heart-pounding bass to energize your workout, a 7-hour rechargeable battery, integrated controls and microphones for on-the-go use, Denon Exercise Freak™ Headphones will keep the tunes going without getting in your way when you work out. Want to enhance your performance further? Download the Denon Sport smartphone application (available for Apple® iPhone®, Apple® iPad™ or Android®) for the Exercise Freak in all of us.

¹ Consumer Electronics Association 2011.
