

13-2150nr Spectre^{XT} Ultrabook™ PC

HP is the world's favorite PC.*

Make your first impression a double take. Introducing the HP Spectre^{XT}. All style. All substance. It's thin. It's sleek. And with the latest technologies, incredible HP innovations, and Beats Audio™, it'll make you think twice about Ultrabooks™.

HP recommends Windows 8.

More than just thin air. And always on.

It's sleek. It's thin. And yet it packs incredible HP innovations, super fast response times, an HP TrueVision HD webcam, Beats Audio™ and smart technology to keep your information updated real time even when asleep.⁽¹²⁾ Not to mention Adobe® Premiere® Elements and Adobe Photoshop® Elements. With exclusive concierge service, two years of online security,⁽¹²⁸⁾ and a year of data protection,⁽¹²⁹⁾ you can feel confident wherever you're going, whether it's the bistro or the boardroom.

Thoughtful design.

With its ultra thin, all-aluminum design, the HP Spectre^{XT} looks smart. And with a stunning backlit keyboard that's perfect for dimly lit environments, it works smart, too. As thin as 0.57 inches (14.5mm) and starting at only 3.07 pounds⁽¹³⁰⁾, you'll be confident knowing you can carry less and do more.

Exclusive experiences.

The HP Spectre^{XT} gives you fast, interruption-free computing, with a cleaner desktop. No pop-up trial interruptions. And ultra-fast performance: get to your desktop in under 11 seconds and resume in less than one.⁽¹¹⁹⁾ Along with full versions of top creative applications, and all backed by 24x7 concierge service from our team of experts.

Security Software

- **2 years of online security software preinstalled:** Get two years of premium Norton™ Internet Security for protection right out of the box.⁽¹²⁸⁾
- **Absolute Protection. Absolute Peace of Mind.** Help keep your data safe if it ends up in the wrong hands. Remotely disable your PC and deny data access if your notebook is lost or stolen. Then easily restore the data if your notebook is recovered with Absolute Data Protect combined with Intel® Anti-Theft™ Technology. Free 1-year subscription included.⁽¹²⁹⁾

Creativity Software

- **Adobe Photoshop® Elements:** Powerful editing options make great photos a snap—and you can quickly share through print, on the web, and on mobile devices.
- **Adobe Premiere® Elements:** Make great movies with powerful, automated tools that save time. Then make them soar off the screen with motion graphics, cinematic photo options, professional effects, and more.
- **HP Connected Photo:** Picture what's next. Sync photos across your PC, smartphone, and tablet. Crop, rotate, add captions, and more. Then share in seconds with friends and family through your social networks. Picture the fun.⁽¹²⁰⁾
- **HP Connected Music:** Your music. Your collection. In perfect harmony. Get the most out of the tunes you love today and discover more music in a whole new way. Enhance your experience by browsing your CDs, downloads, Internet radio, and streaming services—all together in one place.⁽¹²¹⁾
- **HP MyRoom Premium subscription:** Make HP MyRoom Premium your online meeting place! Your free 12-month subscription lets you meet with up to four people for IM, text and video chat, and to share photos and files in a private virtual room. Send video and voice mails, share your desktop and access files from your PC or Box® account.⁽¹²⁰⁾

Endless innovation.

HP humanizes technology: we are inspired by the way you think, feel, act and interact to create unique features that help you get more out of your PC.

- **HP CoolSense:** Get automatic air conditioning for your notebook, so you stay comfortable.
- **HP ImagePad:** Simply touch to rotate, scroll, zoom and more with precision.
- **Beats Audio™:** Designed to deliver the best sounding, richest audio available on a PC amplified by HP Spectre^{XT}'s four speakers.
- **HP TrueVision HD Webcam:** Always look your best, even in low light.^(131,12)
- **Backlit keyboard:** Work or play even in dimly lit rooms or on red-eye flights.

Brilliantly engineered.

The HP Spectre^{XT} delivers high performance and connectivity through advanced Ultrabook™ engineering. Take responsiveness. With Intel® Rapid Start Technology⁽²⁸⁾ and a solid-state drive, it gets going in seconds. Plus, it gives you all the ports you'd expect from a world-class notebook, such as HDMI, Ethernet, and multiple USB. You get more ways to connect without compromising size.

- Windows 8⁽¹⁾
- Experience ultimate performance that scales on demand to support even the most intense 3D games, HD video encoding, and multitasking in breathtaking color and clarity. Visibly smart performance at its best with the 3rd generation Intel® Core™ i5-3317U Processor.⁽²⁾⁽²⁴⁾⁽²⁶⁾
- Resume in less than a second thanks to Intel® Rapid Start Technology and a solid-state drive.⁽²⁸⁾
- Get immersive, game-ready 3D graphics performance and save power with Intel® HD graphics 4000.^{(4)(3)(3a)}
- Stay connected to friends, family, and colleagues at wireless hotspots with (Wi-Fi 802.11).⁽⁴⁰⁾
- Each time you come back to your HP Spectre^{XT}, your information is up to date even when in sleep mode. It's the notebook that stays a step ahead, so you don't miss a thing thanks to Intel® Smart Connect Technology.⁽²⁹⁾
- Wake up from sleep mode to up-to-date email, applications and social site updates with Intel® Smart Connect Technology and Intel® 802.11.⁽²⁹⁾⁽⁴⁸⁾
- Easily connect your notebook to a big-screen TV and enjoy your favorite videos, photos, and online shows in full HD⁽³⁾ with Intel® Wireless Display and an adapter (sold separately).
- Get ultra-fast transfer rates up to 300 Mbps by taking full advantage of your network bandwidth's 2.4 GHz and 5GHz bands with integrated 802.11a/g/n WLAN.⁽⁴⁹⁾
- Take advantage of the ports you'd expect on a world-class notebook, and many you wouldn't expect on an Ultrabook™. Get USB 2.0, USB 3.0, HDMI, and even an RJ-45 port for Ethernet connections.
- Wirelessly sync with phones and PDAs, plus print files up to 30 feet away with Bluetooth®.⁽⁴⁰⁾

Help save more than the earth.

Save time and money, too. Now recycling your HP and Compaq products is more convenient than ever—and totally free! Just bring them to FedEx stores for packing and shipping. Or, get cash back, a gift card or a donation for old computer hardware with residual value, plus responsible recycling of any PC. Visit www.hp.com/go/easybuyback to get a quote today.

Your Windows 8⁽¹⁾ experience. Make it better with HP.

HP, a world leader in PCs and touch technology, now brings you Windows 8⁽¹⁾ on a full range of products designed to fit your needs. Experience exclusive innovations like Beats Audio™ and HP CoolSense. And, introducing HP Connected which links you to your photos⁽¹²⁰⁾ and music.⁽¹²¹⁾ Your Windows 8⁽¹⁾ experience. Make it better with HP.

Platinum support with concierge service.

A world-class design deserves world-class service. Online or over the phone, our dedicated team of HP Spectre^{XT} experts is at your service whenever you need it.

- HP SmartFriend Setup Service⁽¹³⁰⁾ included for first 90 days to get you up and running quickly.⁽¹³⁰⁾
- HP SmartFriend Complete⁽¹³⁰⁾ included for first 90 days to answer your how-to questions.⁽¹³⁰⁾

Check the label placed on the bottom cover for your PC's warranty period.⁽¹³⁾ During your limited warranty period you get:

- 24 x 7 toll-free technical and limited software support in English or Spanish
- Direct access to a Spectre^{XT} assistant at 1.866.408.5408
- On-demand set up support from a Spectre^{XT} assistant.
- 24 x 7 technical assistance via online chat, email, or phone
- Parts and labor coverage, including customer-replaceable parts, free shipping to and from repair centers, and authorized service provider options

ecoHIGHLIGHTS

⁽¹⁾ Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See <http://www.microsoft.com>

⁽²⁾ 64-bit computing on Intel architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers and applications enabled for Intel[®] 64 architecture. Processors will not operate (including 32-bit operation) without an Intel 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Dual-core/triple-core/quad-core/six-core is a new technology designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. See www.intel.com/info/em64t for more information. ⁽³⁾ GHz refers to internal clock speed of the processor. Other factors besides clock speed may impact system and application performance. ⁽⁴⁾ Intel[®] s numbering is not a measurement of higher performance. ^(5a) Intel[®] Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See <http://www.intel.com/technology/turboboost/> for more information. ⁽⁶⁾ Requires a Wireless Display adapter and HD TV. ^(7a) Requires an Intel[®] Core[™] processor. Wireless access point and Internet service required and not included. Availability of public wireless access points limited. ⁽⁸⁾ Requires a 2nd gen Intel[®] Core[™] processor, Intel[®] software and BIOS update, and Intel[®] Solid State Drive (SSD) or mSATA cache module + HDD. Depending on system configuration, your results may vary. ⁽⁹⁾ High-definition (HD) content is required to view high definition images. ⁽¹⁰⁾ Requires a 2nd gen Intel[®] Core[™] processor, Intel[®] software and BIOS update, and Intel[®] Solid State Drive (SSD) or mSATA cache module + HDD. Depending on system configuration, your results may vary. ⁽¹¹⁾ Internet access required and not included; registration required. ⁽¹²⁾ Internet access required and not included; registration required. ^(12a) Internet access required and not included; registration required. ^(12b) Internet access required and not included; registration required. ^(12c) Internet access required and not included; registration required. ^(12d) Internet access required and not included; registration required. ^(12e) Internet access required and not included; registration required. ^(12f) Internet access required and not included; registration required. ^(12g) Internet access required and not included; registration required. ^(12h) Internet access required and not included; registration required. ⁽¹²ⁱ⁾ Internet access required and not included; registration required. ^(12j) Internet access required and not included; registration required. ^(12k) Internet access required and not included; registration required. ^(12l) Internet access required and not included; registration required. ^(12m) Internet access required and not included; registration required. ⁽¹²ⁿ⁾ Internet access required and not included; registration required. ^(12o) Internet access required and not included; registration required. ^(12p) Internet access required and not included; registration required. ^(12q) Internet access required and not included; registration required. ^(12r) Internet access required and not included; registration required. ^(12s) Internet access required and not included; registration required. ^(12t) Internet access required and not included; registration required. ^(12u) Internet access required and not included; registration required. ^(12v) Internet access required and not included; registration required. ^(12w) Internet access required and not included; registration required. ^(12x) Internet access required and not included; registration required. ^(12y) Internet access required and not included; registration required. ^(12z) Internet access required and not included; registration required. ⁽¹³⁾ Shared video memory (UMA) uses part of the total system memory for video performance. System memory dedicated to video performance is not available for other use by other programs. ⁽¹⁴⁾ 3D Glasses and 3D content are required to view images in 3D. 3D visual experience may vary by viewer. ⁽¹⁵⁾ Capacity based on average compressed .jpg size of 5MB/image. Capacity based on 4 minutes per song and 128-Kbps AAC encoding, 4MB per track and 2GB per 90-minute HD movie. ⁽¹⁶⁾ Wireless access point required and not included. ⁽¹⁷⁾ Bluetooth is a trademark owned by its Company under license. ⁽¹⁸⁾ Weight will vary by configuration. ⁽¹⁹⁾ Actual speeds may vary. ^(20a) Internet service required and not included. ⁽²¹⁾ Battery life will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See MobileMark07 battery benchmark www.bapco.com/products/mobilemark2007 for additional details. ^(21a) Based on the fastest times achieved via internal HP testing with solid state drive. ⁽²²⁾ Internet access required and not included. ^(23a) Internet access required and not included; registration required. ^(23b) Internet access required and not included; registration required. ^(23c) Internet access required and not included; registration required. ^(23d) Internet access required and not included; registration required. ^(23e) Internet access required and not included; registration required. ^(23f) Internet access required and not included; registration required. ^(23g) Internet access required and not included; registration required. ^(23h) Internet access required and not included; registration required. ⁽²³ⁱ⁾ Internet access required and not included; registration required. ^(23j) Internet access required and not included; registration required. ^(23k) Internet access required and not included; registration required. ^(23l) Internet access required and not included; registration required. ^(23m) Internet access required and not included; registration required. ⁽²³ⁿ⁾ Internet access required and not included; registration required. ^(23o) Internet access required and not included; registration required. ^(23p) Internet access required and not included; registration required. ^(23q) Internet access required and not included; registration required. ^(23r) Internet access required and not included; registration required. ^(23s) Internet access required and not included; registration required. ^(23t) Internet access required and not included; registration required. ^(23u) Internet access required and not included; registration required. ^(23v) Internet access required and not included; registration required. ^(23w) Internet access required and not included; registration required. ^(23x) Internet access required and not included; registration required. ^(23y) Internet access required and not included; registration required. ^(23z) Internet access required and not included; registration required. ⁽²⁴⁾ EPEAT registered where applicable/supported. See www.epeat.net for registration status by country. ^(24a) All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower by model. ^(24b) Meeting the evolving definition of "BFR/PVC-free" as set forth in the "INEMI Position Statement on the Definition of Low-Halogen Electronics (BFR/CFR/PVC free)." Plastic parts contain < 1000 ppm (0.1 percent) of bromine (if the Br source is from BFRs) and < 1000 ppm (0.1 percent) of chlorine if the Cl source is from CFRs or PVC or PVC copolymers. External power supplies, power cords, cables and peripherals are not BFR/PVC free. Service parts after purchase may not be BFR/PVC free. WWAN is not BFR/PVC free. ^(24c) Arsenic and its compounds were not detected using US EPA Test Methods 3052 and 3052/6010b by ICP or ICP-AES. ^(24d) SmartWay: US/Canada only. ^(24e) Free recycling in select countries. Program may not be available in your area. Check www.hp.com/go/recycling to see if HP offers free recycling in your area. ⁽²⁵⁾ Based on testing performed in HP Labs.
