

ENVY x2 11-g010nr Notebook PC

HP is the world's favorite PC.*

The notebook that doubles as a tablet.

The new HP ENVY x2 PC gives you the power of two devices in one. A Windows 8 notebook with a bright, vivid HD⁽³⁾ Touch display. And a tablet that slides off for those times when you want to carry even less. Get more work done by day. Relax with a book on the tablet at night. Every day is an adventure. Adjust accordingly.

HP recommends Windows 8.

The right device for the right time, every time.

Some occasions call for the power of a notebook. And some for the freedom of a tablet. With a groundbreaking design, the HP ENVY x2 PC gives you both. Easily switch from notebook to tablet and back again. The tablet magnetically slides off and on, latching securely into place.

- Ultra thin with a sleek aluminum finish, it's designed to go wherever you go. And since it's super light, you can take it everywhere without thinking twice.
- Go beyond the keyboard and mouse and get more from Windows 8. Swipe and tap using multi-touch gestures on the vivid HD⁽³⁾ Touch display. Have more fun. Get more done.
- See everything in bright, vivid color on an 11.6-inch diagonal HD⁽³⁾ display. Ultra-wide viewing angles help you see clearly outdoors no matter how you hold it.

Ultra mobile. Ultra connected.

Work for up to seven hours on the notebook.^(11d) Slide off the tablet and go for up to seven more.^(11d) A separate battery in each device takes you from day into night without worries about recharging.

- Your email, calendar, and social networks automatically update⁽⁹⁾ thanks to Microsoft Windows Connected Standby. So you don't miss a thing.
- With the optional stylus, enjoy the freedom to work your way. Write, draw, and navigate without leaving fingerprints.

Endless innovation.

- **Two cameras. Twice the fun.** Get an HP TrueVision HD⁽³⁾ webcam in front for face-to-face conversations. Plus an 8.0MP camera in back for shooting crystal clear photos and video. You'll come off looking good with 1080p—any way you look at it.
- **NFC Technology.⁽⁸⁾ Share with a tap. Just like that.** Connect with other devices like never before thanks to NFC technology.⁽⁸⁾ Just another way of saying that soon you'll be able to share things like photos, contacts, websites and more—with a simple tap.
- **For those who want to be seen. And heard.** With Beats Audio™ and dual speakers, the HP ENVY x2 PC is designed for the best sounding, richest audio available on a PC. Small size. Big sound.
