

CMT-V10iPN

Micro Music System for iPhone®5

Listen to your music and accessorize the room with a compact music system that's full of features. The integrated 8-pin Lightning™ connector lets you charge and connect the latest iPod® and iPhone® devices.

Bullets

- Charging dock with track control for iPhone®5 playback²
- Single disc CD player¹ with motorized cover
- AM/FM Radio with 30 station presets (20 FM / 10 AM)
- Clock with separate sleep and play timers
- Selectable Bass Boost and preset EQ settings
- Rear auxiliary inputs for use with other devices³
- Stylish design with 10 Watts total power
- Wireless remote included

Features

iPod® & iPhone® Lightning™ connector²

Power up your playlists, listen to your audio apps and stay connected with the latest iPhone® and iPod® devices². The integrated cradle provides convenient charging and playback control for devices using the 8-pin Lightning™ connector.

Enjoy convenient CD playback¹

Play your favorite CDs or your personally recorded CD-R and CD-RW discs¹. You can even play MP3 files that have been recorded to CD-R/RW discs.

Built-in AM/FM tuner

Use the integrated AM/FM tuner to receive local broadcast signals with the included antenna plugged into the rear panel.

Bass boost with EQ

Dial in the sound by choosing one of the 4 preset EQ settings. Increase low-end bass response by engaging the BASS BOOST feature directly from the wireless remote for richer, fuller sound.

Rear aux input

Uses the rear panel mounted 1/8" stereo input connections³ to playback external audio equipment like MP3 players, tablets or smartphones and hear the sound through the audio system.

LCD display with clock

The LCD display shows source playback information, volume level, sound settings and clock time. You can even select from 2 built-in timer functions using the sleep or playback duration timers.

Modern design

Exceptional quality in an easy-to-use, compact contemporary design that fits beautifully just about anywhere in your home. The built-in power can easily fill a bedroom, kitchen or office space with great sound.

In the box

This unit is ready to enjoy right out of the box. An AM/FM antenna is included to ensure broadcast signals come in clear and it even comes with a convenient wireless remote.
